1. Cancel for any reason benefits only applies **when you cancel your trip 14 days or more** before the departure date shown on your tickets. In this case, you will receive a compensation of 50% of the cover amount that is non-refundable to you by the airline, hotel or tour operator. Your policy should have been booked **within 72hours of your trip booking** or before any cancellation penalties became applicable.
2. Default protection coverage applies when a travel supplier defaults and you don't receive part or all the travel services contracted.
